CoastalFlix℠

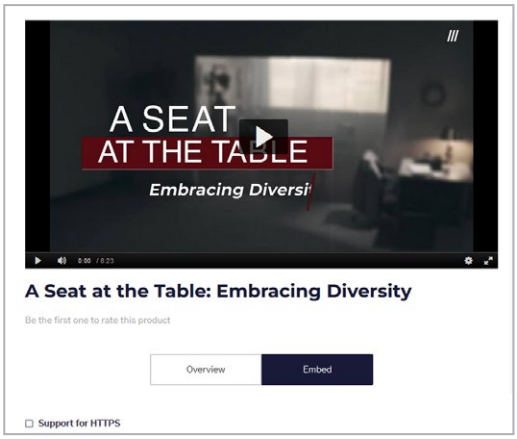
Redefining on-the-go Training for the Global Workforce

dss+

Protect. Transform. Sustain.

Did You Know?

1

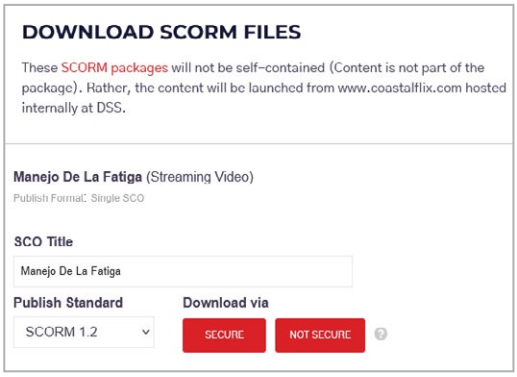


That you can retrieve an 'embed code' for our streaming videos by choosing the 'Play All' corresponding to each playlist on the 'Playlist' page?

2

If you need a QR code that will lead a user to a specific piece of content just click on the 'Access details' link on the 'Playlist' page and copy it.

3



Easily download SCORM files.

No matter where your employees like to learn, CoastalFlix℠ delivers.

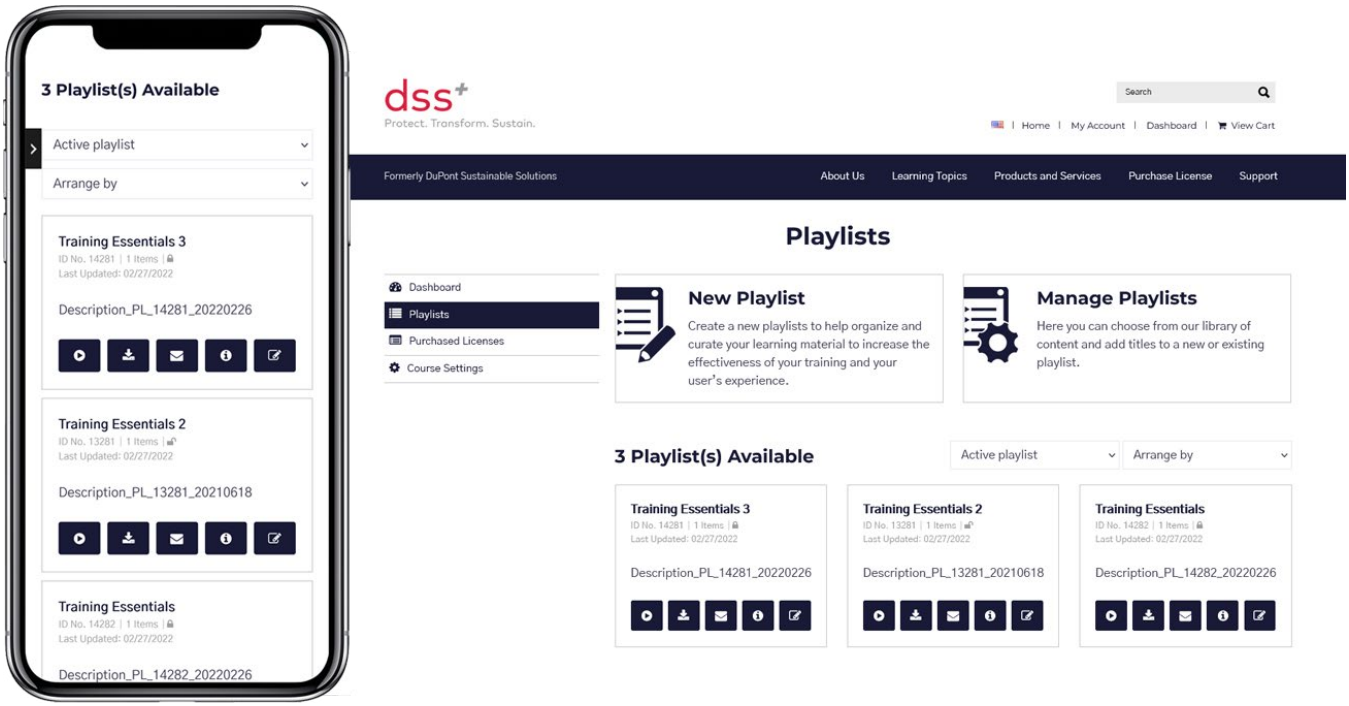
Whether it's in a workshop, at a desk, in the field, on site or off site, CoastalFlix℠ brings the classroom to you. The CoastalFlix℠ video streaming solution enables your employees to experience compelling content via any web-enabled device.

Choose from thousands of videos covering key safety, maintenance and reliability, and human resources topics.

License Models

Our simplified license models will give you the most value from your CoastalFlix℠ experiences.

Create playlists for classroom and self-paced learning, integrate content into your LMS through downloadable SCORM files, embed videos into your internal web pages, and much more.

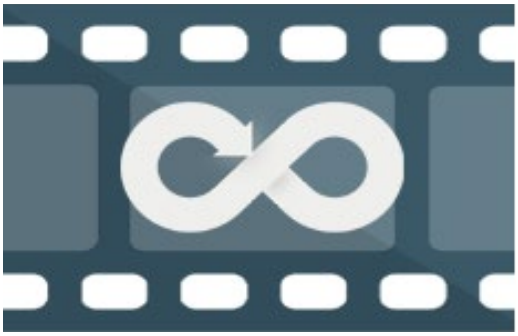


CoastalFlix℠ License Models

Access Model

Gives you access to all our streaming videos and Electronic Leaders Guides.

Provides a fixed quantity of single use (one-time) video plays to all of our available streaming videos and leaders guides over the course of the license period.



User Model

Provides a predefined quantity of user licenses which allows each licensed user unlimited access to all of our available streaming videos and leaders guides over the course of the license period.

dss+/ STOP®

STOP®

Gives access to STOP® for Supervision and STOP® for Each Other streaming videos.

*This is for existing STOP® customers only.

Download and Launch CoastalFlix℠ videos from your Learning Management System

dss+ is proud to bring you an enhanced CoastalFlix℠ experience with the ability to launch streaming videos from a SCORM compliant learning management system (LMS). With thousands of streaming videos available our flexible content can solve almost any training challenge. With a few clicks of the mouse, you can download a SCORM Package as a zip file in either a Single SCO or Multi SCO SCORM format.

When the SCORM package has been integrated with your system, you will be able to:

- Track total training time
- Track completion status
- Utilize bookmarking

From the classroom to your laptop to your mobile device, CoastalFlix℠ gives you the flexibility to deliver a compelling learning experience anytime, anywhere.

Get instant access to thousands of streaming videos and e-learning courses on the latest safety, maintenance and reliability, and human resources topics.
